Tyler Comrie/ The Atlantic Though school sports are typically sex-segregated, a new generation of kids isn't content to compete within traditional structures. Illustration by Gabriela Pesqueira. Sources: CSA Images / Getty; Fotografia / Getty; Rysack / Getty Suddenly everyone is "toxic." Katie Martin / Paul Spella / The Atlantic Instagram's Close Friends toes the privacy line by offering users a safe, semipublic space of their own creation. Getty / Alex Cochran Seeking health advice on the web is precarious. But for some people, internet strangers provide helpful information and emotional support. Woosler Delisfort Vodou has been condemned for much of its history. But some Haitian Americans are reclaiming the narrative through their own journeys with spirituality. Getty / The Atlantic A growing network of Christian writers is pushing past tradition to broach topics like depression and marital conflict. Alex Cochran Distance, as it turns out, isn't the barrier to deep relationships that some may think. Gabriela Pesqueira / The Atlantic Americans have become far more sedentary over the past two years, and that's changing how we view what constitutes a workout. Alex Cochran Carriers are banking on the psychological allure of marginal luxury. Cassidy Araiza What we can learn from a group of third graders on their first school outing since the start of the pandemic H. Armstrong Roberts / ClassicStock / Getty Female "Juniors" are rare. But for certain mothers, passing down their name is a no brainer. Alvaro Bernis Some people believe that the company's scandals are reason enough to quit the platform. Others have found one compelling reason to stay. Sharon Pulwer The book, rooted in modern Christian fundamentalism, has captured the attention of this insular community. Maria Jesús Contreras Buying online became even more of a utility during the pandemic. But for some, IRL exchanges will always beat clicking a button. Getty / The Atlantic A conversation about the canned meat's lasting cultural impact on Filipino American life Chaimae Studio Tech companies are offering spiritual care to make employees more productive, and it's likely a sign of what's to come in other industries. Nora Carol / Getty The "Great Resignation" isn't really about rejecting work—it's about redefining one's sense of self. Irene Suosalo An unlikely group of influencers on TikTok is using cheeky skits and viral songs to change our relationship to mortality. Gabriela Pesqueira / The Atlantic Despite the common refrain from pundits, a grassroots movement is seeing politically divergent undergraduates come together for uncomfortable discussions. Getty / The Atlantic People seeking to obtain an exemption from the shot have found that some clergy see no theological foundation for an excusal. Getty / The Atlantic After so much uncertainty and loss, many Americans are abandoning the unbridled optimism of a new year and adopting a more pragmatic outlook. Getty / The Atlantic How sending 100-pound care packages to family in the Philippines became a cherished diasporic practice Adam Maida / The Atlantic Yes, mourning is an acknowledgment of loss. But the late scholar bell hooks argued that it is also a way of honoring our commitment to those who have died. Express / Stringer / Getty: The Atlantic In theater groups around the country, physical performance is revealing better ways to handle life's unknowns. Julien James The historic rivalry between Florida A&M University and Bethune-Cookman University goes beyond sports. Brian Finke / Gallery Stock Doing work that is fulfilling has become ubiquitous career advice, but no one should depend on a single social institution to define their sense of self. Rachel Cox The pandemic has highlighted the fact that without a federal bereavement policy, many people are subject to the whims of state legislatures and individual companies. Getty; The Atlantic Players in the National Women's Soccer League are speaking up about the abusive work environments that can develop when women are underpaid. Sean Rayford / Getty After Hurricane Ida, New Orleanians are weighing the emotional, cultural, and financial costs of leaving the place they call home. Avi Kaye For a particular group of Jews, art is typically a form of decor, not commentary. But a new generation of artists is trying to make nonconformist pieces while remaining observant. Getty / The Atlantic In lieu of face-to-face interactions, some communities have turned to anonymous gift-giving to feel connected. Adam Maida / The Atlantic It's not just Delta whiplash that's getting people down. Even when the pandemic ends, post-vaccine life is going to be awkward. Bethany Mollenkof Characterized throughout American history as symbols of crisis, trauma, and grief, these women consistently reject those narratives through world-making of their own. Photograph by Arlene Meiorado for The Atlantic A new generation of Latino Protestants is poised to transform our religious and political landscapes. Lyne Lucien Robinhood traders have earned the most attention, but they're only part of a larger story about class stagnation and distrust. Pedro Nekoi Many queer people are reimagining their own boundaries and thinking of this reentry period as a time for sexual self-discovery. Getty / The Atlantic Since its debut, the symbol has had several redesigns in the name of inclusion. But some fear that the changes are merely for the sake of branding, absent material steps toward real equality. Carlos Barria / Reuters The recent effort to make the anniversary a federal holiday is undermined by the simultaneous attack on critical race theory and curricula focused on the enduring legacy of slavery. Adam Maida / The Atlantic Mutual-aid groups are helping Americans envision communities that meet everyone's needs. Kent Phillips / Walt Disney World Resort / Getty Superfans know the Florida theme park is a dangerous destination during the pandemic. But to them, a visit means more than a vacation. Media Platforms Design TeamWhen George Condo appeared on the New York scene in the early '80s, his paintings—with their nods to Tiepolo, Velázquez, and the like—seemed out of sync with the pop- and graffiti-inflected styles of his friends Keith Haring and Jean-Michel Basquiat. But in today's interconnected, often complex world, Condo's work is jarringly fresh. A survey at the New Museum brings together his large-scale abstractions, boom-and-bust-era meditations on the depraved and melancholic, and a showstopping installation of portraits: a Botticelliesque babe, sad-sack Looney Tunes figures, dark scenes recalling late Goya. And a sordid 2008 painting of Client No. 9 proves the present, in all its grotesquerie, is just as inspiring. "George Condo: Mental States," New Museum, through May 8; newmuseum.org. For more Don't Miss events, click here.Watch Next Some of us wake up feeling refreshed and bright-eyed, with a spring in our step and the knowledge we can face whatever the day throws our way. And the rest of us just really hate people like that. Which are you?There are people who actually wake up bounding with energy and others who aren't even sure of their name before midway through their second cup of coffee. It may be possible to become a morning person if you're not one already. But if you're not willing to go that far, perhaps you'll settle for making your morning a little easier. You could wake up to something pleasant instead of horrible, create a landing area so you can find your stuff a little easier, or just make sure you've got the best dashboard apps to start your morning right. In the meantime, though, we're curious:At 6 AM, most of us are lucky if we have the energy to reach for a cup of coffee. Mornings may be...Read more Image byszefei (Shutterstock). There are many ways to improve your vocabulary. When working to do so, it's important to know your goals in order to best choose the way in which you want to learn. For instance, reading can be a great way to improve your vocabulary, but it won't be much help on a vocabulary test next week. Here are a number of methods to help you improve and expand your English vocabulary. A synonym is a word that has a similar meaning. An antonym is a word that has the opposite meaning. When learning new vocabulary, try to find at least two synonyms and two antonyms for each word. This is especially important when learning adjectives or adverbs. A thesaurus is a reference book that provides synonyms and antonyms. Used by writers to help find just the right word, a thesaurus can also help English learners expand their vocabulary. You can use an online thesaurus which makes finding a synonym easier than ever. Vocabulary trees help provide context. Once you've mapped out a few vocabulary trees, you'll discover yourself thinking in vocabulary groups. When you see a cup your mind will quickly relate such words as knife, fork, plate, dishes, etc. Create a list of vocabulary themes and include a definition and an example sentence for each new item. Learning by theme emphasizes words that are related. This will help you memorize new vocabulary because of the connections between these words and your chosen theme. Watching movies or sitcoms is a great way to help you understand native speakers of English. Use the options of watching individual scenes to make DVD use into a vocabulary learning exercise. For example, watch one scene from a movie in English only. Next, watch the same scene in your native language. After that, watch the same scene in English with subtitles. Finally, watch the scene in English without subtitles. By watching the scene four times and using your own language to help, you'll pick up a lot of idiomatic language. Rather than studying a long list of unrelated vocabulary, use specific vocabulary lists to help you prepare for the type of vocabulary you need for work, school, or hobbies. These business vocabulary word lists are great for industry-specific vocabulary items. Word formation refers to the form a word takes. For example, the word satisfaction has four forms: Noun: satisfaction --> The satisfaction of a job well done is worth the effort.Verb: satisfy --> Taking this course will satisfy your degree requirements.Adjective: satisfying / satisfied --> I found the dinner very satisfying.Adverb: satisfyingly --> His mother smiled satisfyingly as her son won the award. Word formation is one of the keys to success for advanced level ESL learners. Advanced level English exams such as the TOEFL, First Certificate CAE, and Proficiency use word formation as one of the key testing elements. These word formation charts provide the concept noun, personal noun, adjective, and verb forms of key vocabulary listed in alphabetical order. A great place to start learning vocabulary for a specific job is the Occupational Outlook Handbook. At this site, you will find detailed descriptions of specific positions. Use these pages to take note of key vocabulary related to the profession. Next, use this vocabulary and write your own description of your position. A picture is worth a thousand words. It's also very helpful for learning precise vocabulary. There are a number of excellent English learner visual dictionaries for sale. Here is an online version of a visual dictionary dedicated to jobs. Collocations refer to words that often or always go together. A good example of a collocation is do your homework. Collocations can be learned through the use of corpora. Corpora are huge collections of documents that can track the number of times a word is used. Another alternative is to use a collocation dictionary. This is especially helpful when focusing on business English. Use vocabulary learning methods to focus quickly on the vocabulary YOU need to study. Don't make random lists of new words. Try to group words in themes. This will help you memorize new words more quickly. Always add context by writing out a few example sentences using new vocabulary. Keep a vocabulary notepad at hand whenever you are reading in English. Use a flashcard app on your smartphone to review vocabulary when you have some extra time. Before you begin your day, choose five words and try to use each word during conversations throughout the day.
